EXPERIENCE

CribCub

Bethlehem, PA

Co-Founder

Mar. 2026 – Present

- Co-founded a three-sided RA operations platform serving resident advisors, students, and housing administrators, replacing fragmented tools like GroupMe and spreadsheets with purpose-built workflows.
- Defined product vision and drove development of 19 features across three dashboards, including incident reporting, emergency broadcasts, duty logging, and real-time campus-wide admin visibility.
- Validated product direction through outreach to university housing stakeholders, identifying gaps in existing RA tooling that shaped the platform's core feature set.

Lehigh Product Society

Bethlehem, PA

Director of Product Fellowship

May 2026 – Present

- Appointed to design and lead a 15-week fellowship program simulating end-to-end product management for a cohort of student members.
- Responsible for full curriculum development, cohort facilitation, and guiding members to a final product presentation demonstrating applied PM thinking.
